**Excitement is in the air!** We are getting ready for Campmeeting 2006. Work is going on at the church in Spindale as we prepare for you to come to us. We are fasting and praying each week until you get here.

## CAMPMEETING 2006 MAY 24 -28

Jesus Way Christian Church  
311 Park Street • Spindale, NC

Everyone is Welcome to attend  
**Campmeeting 2006!**

There will be churches that have never been here before. I want you to meet these wonderful Pastors and congregations. I want you to be able to fellowship with them and the congregation at Spindale. People will be coming by automobile and charter bus.

God is going to be using the ministers in a prophetic way as they share the word of God with the people. It will be wonderful as we sit at the breakfast and lunch table, or in the services, sharing with one another what God has sown in us the past

year. Since last year we have already seen some of the prophecies come to pass and are waiting for the others to unfold. A great outpouring of the Holy Ghost will be present. Healing and deliverances will be taking place.

Will you make plans to meet us this year for the Jesus Way Christian Ministries Campmeeting 2006? Don't miss this great move of God! We welcome you with the love of Jesus and look forward to seeing you in the services.

# FAITH AS A GRAIN OF MUSTARD SEED

*A Sermon by the Late Bishop Paul E. Adams*

**N**ow in the Word of GOD, Luke the 17th chapter we find Jesus saying, IF YE HAVE FAITH AS A GRAIN OF MUSTARD SEED, YE MIGHT SAY UNTO THE MOUNTAIN BE YE REMOVED AND CAST INTO THE SEA, and the mountain would be removed and cast into the sea.

Now if He said to you and I, if you have faith as a grain of mustard seed, you can say to the mountain — the mountain of trouble in your life, the mountain of oppression or depression that tries to come over your life, the mountain of affliction, a mountain of sickness and pain, a mountain of poverty — He said you can say unto that mountain, BE YE REMOVED AND CAST INTO THE SEA, and the mountain would obey you. Is that true? Then if He said speak to the mountain and the mountain would obey, we as God's people in this inheritance, we have entered into as Sons of GOD, must realize that we've got to be able to speak in authority to our enemies because GOD told Adam there in the Garden to go forth, multiply, replenish, subdue and have dominion. You see Adam did not subdue and keep dominion, that's why he fell. The Serpent

beguiled the woman, who was his helpmate of his own body, and the Serpent subdued her and she caused the man to break the Law of GOD. But if Adam had subdued like GOD told him, and he'd kept dominion like GOD told him, when this Serpent came to Eve, being a type of the church, and Adam was a type of the church or the head. The Serpent knew he could not come to Adam because Adam had dominion over him and the authority to keep him subdued. AMEN.

So when the Serpent beguiled Eve she then turned to man and he obeyed her. Then he did not have the power and authority to subdue any longer. He did not have the power and authority to take dominion any longer. You know Adam back there in the morning of time in that Garden, he was a God-Man. He was in union with GOD that GOD and Adam were as one. HALLELUJAH. They were in fellowship together. They had such a relationship that GOD gave Adam the right to share in all the glory of His creation and have power to subdue it and have dominion over it. Man lost that when he disobeyed GOD.

But here, the plan of GOD is to bring that son He formed out of the dust of the earth and breathed into his nostrils the breath of life and he become a living soul. It's God's plan to bring that son

back into the inheritance and to that relationship and fellowship and union with Him until He can say to this son today I you want to multiply and replenish, I want you to subdue and have dominion over all that I have created.

It's time that you and I as God's people, realize as I've said before, we are not living back four centuries ago. We are living in a modern age of the twentieth century. Knowledge is increasing so rapidly that every five years knowledge has increased 100%. We need to come up in this day and age that we are living in the twentieth century and realize that GOD has given His ministry and GOD has given His church, His sons, a knowledge of how to multiply — spiritually, how to replenish — spiritually. How to spiritually subdue evil and have dominion over it and rule over it.

So you see, you've got to speak with the power to subdue. Move in on the Devil's territory and not be afraid. Move in on the Devil's territory and put your foot down and say this belongs to me. GOD told me it was my blessing. GOD promised me in His Word that it was going to be mine. I'm going to move in on you Devil and I'm not going to move. I'm not going to look around me. I'm not going to look to the left, I'm not going to look to the right. I'm not going to look back at

PAUL E. ADAMS**

Egypt. I'm going to look straight ahead and I'm going to stand where I'm at. When I've done all I can do to stand, I'm going to stand and take on the whole armor of GOD, that I might subdue and have dominion over every power of the Enemy. Nothing by any means can hurt me. HALLELUJAH.

How can you have that faith as a grain of mustard seed? A grain of mustard seed is one of the smallest grains that exist. The seed is so small. But there is one thing about it, it will grow and it grows rapidly. You don't have to worry about the weeds pollinating with It, and the thistles and the thorns crowding it out. You don't get this measure of faith by going to church all the time. You don't get it by singing your song and giving your testimony. That's good in its own place. You don't get this faith like a grain of mustard seed because you hear a message preached every Sunday. There's only one way to receive this faith. Faith

comes by hearing, and hearing by the Word of GOD. Your faith is the word that you've heard from GOD. It's not the times you heard a sermon ministered, but the time that the Spirit of GOD put the Word in your spirit and brought it alive and gave you faith. Faith doesn't need help. It will stand alone and subdue and take dominion over every enemy. Faith comes by hearing. You see Noah got a word from GOD, that's why he built the ark and didn't question it. Abraham got a word from GOD, that's why he packed his belongings, took his wife Sarah and his nephew Lot and got out of his father's house. He got away from his kinsfolk that were in idolatry and he sojourned searching for a city whose builder and maker was GOD, because he got a word from GOD.

All these people today saying GOD said, GOD did, GOD told me, GOD moved, GOD showed me, GOD this. There's no edification and no power to subdue, and take dominion. Well its just a good thought. It may be just a good feeling. But when GOD speaks His Word, GOD confirms his Word in signs, miracles and wonders. When GOD tells somebody something, it will cause them to get up and act. AMEN.

There's one thing about it, I'm not going to compromise. It's time to realize, get in, get out or you're going to get run over because there is a warfare going on. The seed of the Serpent and the seed of the Woman is in warfare. Jesus

and His people are going to be the winners.

When GOD speaks his Word to you, you don't have to question it. The truth makes you free. When GOD speaks His Word to you and it quickens your spirit. Brother, you don't have to get the opinion of your wife. Wife you don't have to get the opinion of your husband. If GOD tells you something, that makes it so. It doesn't matter what anyone else is going to think about It. Let GOD be true and every man a liar.

We are always hearing someone say the Lord said, the Lord said, and they don't change their way of living. They don't live more dedicated. They don't have more zeal and desire to walk in God's ways. These people don't pay them any attention. They may be having a good thought or they may be getting a good dream. When GOD speaks its going to happen. Our father Abraham, in Hebrews chapter 4, said he was fully persuaded that GOD is able to perform that which He had promised. If Brother Adams talks to you and brings you a word from GOD, and the Holy Ghost begins to talk to you and give you that word, it'll happen just like GOD told you. If it doesn't happen like GOD said, it was Brother Adams prophesying. It was Brother Adams giving the word and not the JEHOVAH JEYRA, the Way Maker, giving the Word.

When GOD speaks to you to give you that faith as a mustard seed, a lot of times it

knocks you off your high horse. I said when GOD speaks his Word to you, sometimes it will be like it was when Saul of Tarsus was on his way to Damascus. The light shined about him and he was slain to the ground from his horse. That wasn't what Saul wanted to hear, but that is what GOD had for him to hear and he heard it too, didn't he? When GOD tells you something, it ain't always going to be the way the tides running. It won't always be the opinion of everybody that sanctions it. A lot of times it will come against the grain. It will come against your mind. It will come against your desire. It will come against your own ways. But when GOD says it, you can believe one thing, your life will never be the same. When the Word speaks to you it will change you if you are a sinner. If the Word speaks to you, it'll save you if you aren't sanctified. If the Word speaks to you, it will fill you with the Holy Ghost if you are not filled. If the Word speaks to you, it will heal you of a cancer, heart condition, high blood, low blood sugar, whatever the condition is. The Word speaks to it, and it will be healed.

Faith comes by hearing. Can't you see when GOD said, Noah build an ark. We don't have no record where Noah went to Sister Noah and said, Hon we are one, and today GOD gave me the revelation and I just want to see what you think. When people go to telling me a revelation to see what I think, I'm almost

afraid for them to tell me. When you get a word from GOD, you are not worried about what Brother Adams thinks. You are not worried about what Sister Jones thinks. You are not worried about what this preacher and that preacher and the Saints think. If GOD gives it to you, it will make you free. You know if comes from GOD and you don't need a second opinion.

To get a second opinion from a medical doctor is alright. To get a second opinion from an eye specialist is alright. A second opinion is good sometimes from your attorney. A second opinion is alright from someone you have a lot of faith and confidence in. But if GOD ever gives you a word, you don't have to have a second opinion. God's Word will stand. For heaven and earth will pass away but the Word of GOD is going to stand.

Now when Adam could not subdue and have dominion any more, man has been kicked around ever since. Don't tell me the Devil hasn't kicked the church around from the beginning. I don't care how much we flutter like butterflies, and say we got the victory over all the enemy. A lot of times while we're fluttering around and that old Devil is pounding your head with a migraine, and you can't hardly get your breath. Many times when you're talking about Jesus never fails, that old Devil's right on your back. I got a message today, how

**Jesus Way Ministries  
welcomes new

Pastor Jerry & Lorean  
Tadlock - January 2006.  
**Word of Life Apostolic  
Church**

We welcome Pastor  
Jerry & Lorean Tadlock  
from Whitewright, TX!  
They have been working  
in the kingdom of God for  
many years. They have  
established a new church  
and God is moving. Keep  
them in prayer.

you are going to get him off of your back. How you are going to get him out of your mind, and out of your spirit, and out of the interference on your job and your home. You are going to put him out of commission. Say, Devil, I'm going to subdue you and I'm going to take dominion over you. Devil you've got to move because I'm going to speak. When I speak, the mountain is going to be removed.

They that wait upon the Lord shall renew their strength. This is your day to take on heavenly strength that you can speak to your mountain. Talk to that mountain and make it move out of your way so you can have peace and joy. You've got to talk to it. Some folks may not believe this, but a lot of times I do more talking to the Devil than I do Jesus. I know Jesus knows my desire. I talk to that old Devil, but I don't allow him to do much talking back to me. Sometimes when I'm alone in prayer I just quit praying and go to talking to the Devil. I start speaking against my troubles, problems and trials. Sometimes when I'm driving my automobile on the interstate, or flying in a plane,

I just sit there and talk to that Devil. Anything that's a mountain in your way that keeps you from being blessed, is of the Devil. Speak to it. Let it know you mean business.

Isaiah the prophet gives us a consolation. Isaiah 53:5 says, **BUT HE WAS WOUNDED FOR OUR TRANSGRESSIONS, HE WAS BRUISED FOR OUR INIQUITIES: THE CHASTISEMENT OF OUR PEACE WAS UPON HIM; AND WITH HIS STRIPES WE ARE HEALED. AMEN.**

First Peter 2:24 said, **WHO HIS OWN SELF BARE OUR SINS IN HIS OWN BODY ON THE TREE, THAT WE, BEING DEAD TO SINS, SHOULD LIVE UNTO RIGHTEOUSNESS: BY WHOSE STRIPES YE WERE HEALED.** No way can the Devil resist those words. Heaven may pass away around you, but the Devil can't resist those words, because that's God's WORD. Heaven may pass away and the earth may crumble in defeat, but those words will never fail you. Those words will never fall short. You can stand on those words and speak to your mountain and say, "He bore my sins in His own body on a tree that I might be free from them. He was wounded for my transgressions, He was bruised for my iniquities. The chastisement of our peace was upon Him that I might have peace. He would be

the Prince of Peace, and by His stripes I was healed. I've already been healed, I've already been blessed, I've already been delivered, I've already been set free." Speak to that mountain and tell that mountain to move out of your way. You've got to speak to it.

I found out a long time ago, if you don't ride the Devil's back, he's going to ride yours. If you don't put the Devil under your heel, he's going to put you under his heel. I learned this years ago. GOD told me to tell that Devil when he gets to be a mountain, "GOD said". That gives me faith. GOD said that though my sins be as scarlet, there's a fountain flowing from Emmanuel's vein, that sinners like you and I could come and plunge, and be free from our guilt and sin. He bore our sins in His body on the tree. He became sin when He knew no sin. He bore our sins that we could be free from them. Matthew 1:21 says, **AND SHE SHALL BRING FORTH A SON, AND THEY SHALT CALL HIM NAME JESUS: FOR HE SHALL SAVE HIS PEOPLE FROM THEIR SINS.** Save them from their sins, not save them in their sins, not save them with their sins, but save them from their sins. HALLELUJAH. Glory to GOD. The Devil's mad, and I'm glad. In Jesus' name he can't do anything about it.

I learned a long time ago if you don't put the Devil under the ball, he'll put you under it. Every time the ball bounces, you'll be under the ball. I got

out from under the ball. I got on the ball and I'm the bouncer now. Every time I bounce the ball I speak the Word of GOD. When I speak the Word of GOD it casts out devils, it heals the sick, it opens the eyes of the blind, it will unstop the deaf ears, it will make the lame to walk, the dumb to talk. It will cause cancers to die. It will cause heart conditions and blood conditions to be made whole. It will move. It will work because GOD said it. I am fully persuaded that which He has spoken He will perform.

It is time some of you got out of that realm of doubt, and feeling sorry for yourself. I'm one of God's little children, but I don't know why He let these things happen. I'll tell you why they happen, because you won't stop them. I know GOD could just speak today and every person that has a need could have it met. GOD gave you and I something to do, that He might do that which He'd spoken to us. It's time the church quit talking about little children, and that we got two strikes against us, and all that kind of talk. If we got Jesus we don't need but one strike. We'll hit a home run every time. If GOD be for us, who can be against us. It's time we raise up and quit singing in the sweet by and by I'm going to get my piece of the pie. It's not a time to sing the sweet by and by or in the long lost yesterdays. It's time to sing in the now.

Jesus Christ is the same yesterday, today and forever.

If He's the same yesterday, today and forever, I'm not going to sing in the sweet by and by, and I'll have a mansion over the hilltop. I'm going to sing come on Jesus into my life and give me the victory that I might have your Word, and that I might speak to the mountain. Yesterday's gone and tomorrow may never come. We don't need to worry about the lion's den when Daniel was there, or the fiery furnace when the three Hebrews were in the fiery furnace. We need to get Him out of the lion's den, and get Him out of the fiery furnace, and bring Him up here in this day. We don't need to leave Him over there where the streets are gold, and walk around over here in poverty. We need to bring Him over here with us so He'll bring some of the blessings financially over here.

You can't get any where with GOD living in the past or in the future. You've got to live for GOD now. Don't let your yesterdays destroy your tomorrows. Your yesterday's gone, and what's happened all down through your life, is gone in the past. You'll never be able to bring it back. Thank GOD, today is the beginning of the rest of your life. The stage is set for you to perform

as GOD has called you, and chosen you, and ordained you. You will no longer be the tail, but you'll be the head. You'd no longer be down, but you would be up. You would no longer be under, but you'd be going over. You wouldn't be going backward, but you'd be going through. If you look unto the hills from which cometh your help, your help cometh from the Lord GOD. You'll speak to that mountain and say, "mountain, I cast you into the sea."

God's going to restore His plan. The Sons are going to come back into that union and fellowship and share that glory that was there in the garden. God's going to say to us, subdue and take dominion, and "My Creation Will Obey Him". So today that problem you have in your home speak to it, get serious with it. Speak to it and put a curse on it. Tell that mountain that's in your home be moved. You say what if it don't happen? Well, what if it does happen? You say what if I speak to that mountain and nothing happens? Keep on speaking until you get enough faith that when you speak it has to move.
